Dear Friend of Montgomery County:

Montgomery County is holding its Annual Golf Tournament on Friday, August 24, 2007 at The Rolling Hills Country Club in Fort Johnson.

Due to the success and generous donations of our previous years sponsors, we are striving to continue our dedication to contributing money to local charities and causes. All proceeds generated from this year's golf tournament will be distributed in the following manner: the first half to the STOP-DWI Scholarship Program, and the second half will be distributed to various other charitable organizations within our county.

I would like to cordially invite you to play in our Golf Tournament. A registration form is enclosed. Also, enclosed is a list of sponsorships we are hoping to obtain from generous friends like you. Please support our endeavor by completing the enclosed form(s) and returning them to our office.

Your support is greatly appreciated.

Thanking you in advance,

Jennifer Petteys
Coordinator
