Wherever life takes you, take the all-new Gia.®

The new *Gia by MVP* mobile app is loaded with new features. It's more than virtual urgent care, it's a guide to your health and your health plan.

A guide to your health.

- **New** Text a doctor 24/7 for virtual primary and specialty care. Get same-day support and treatment for preventive care, medical questions, and conditions like diabetes, asthma, and anxiety

- Connect to urgent and emergency care in minutes. It's the fastest way to find out if you need to go to an emergency room or urgent care center

- Request new medication, get refills, lab tests, screenings, and more

- **$0 for most MVP members**

- **Savings add up for members with a qualified high-deductible health plan!** For example, save $105 on primary care (average in-person primary care visit costs $160-with Gia, it's $55)*

  * Costs may vary based on location and plan type.

Gia is a guide to your health plan, too!

- View and share your MVP Member ID cards with doctors and family

- Find medical, dental, and pharmacy claims for members of your plan

- See progress toward deductibles and limits for any member of your plan

- Search for an in-person doctor or facility that participates with your plan

- Get an overview of your coverage, including medical, dental, vision, and pharmacy plans
