FOR IMMEDIATE RELEASE

MONTGOMERY COUNTY INAUGURAL RESTAURANT WEEK SCHEDULED
May 9 through May 15

FONDA NY- Montgomery County Executive Matthew L. Ossenfort, the Montgomery County Business Development Center, and the Fulton Montgomery Regional Chamber of Commerce are proud to announce a county-wide restaurant week has been scheduled for May 9 through May 15.

The establishments were asked to design specials for the week. Some will offer a choice menu, while others have a week-long special.

“Some restaurants have a traditional choice menu, and others have one special for the week”, Director of Tourism Development Anne Boles said. “Please enjoy, as this is a perfect opportunity to explore the rich history of the county, take a walk on the Erie Canalway Trail, or visit a beautiful park. Then treat yourself to a great meal by a family owned and operated restaurant. We appreciate their participation, and wherever you go, it’s going to be a delicious week in Montgomery County!”

“We are excited to kick-off Restaurant Week and hope it provides a boost to our local establishments,” Montgomery County Executive Matthew L. Ossenfort said. “We are proud to showcase the local businesses which are the cornerstone of this community.”
