

MONTGOMERY COUNTY *SHERIFF*

Jeffery T. Smith, Sheriff

2021 Annual Report

Carl J. Rust, Undersheriff

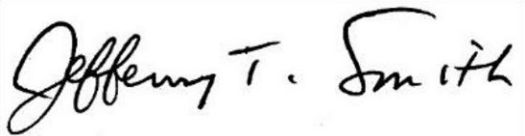

Message from the Sheriff

2020 and 2021 have been extremely challenging for all of us. The members of the Montgomery County Sheriff's Office continue to work hard and adapt in order to provide quality services to our constituents. The Criminal Justice System changes, legalization of Marijuana and the Covid Pandemic are three major examples of specific challenges affecting our staff and communities daily.

Completing goals from 2021 and establishing new goals for 2022 are essential for focusing our efforts and remaining positive. We continue to communicate with the public as much as possible, recently we rolled out a new smart phone APP and weekly reports to assist the public in understanding what your Sheriff's Office does on a regular basis. Our staffing levels are consistently good, openings do occur and so far, we have been able to fill them. Our equipment continues to improve, employee morale is good which directly results in us providing better services.

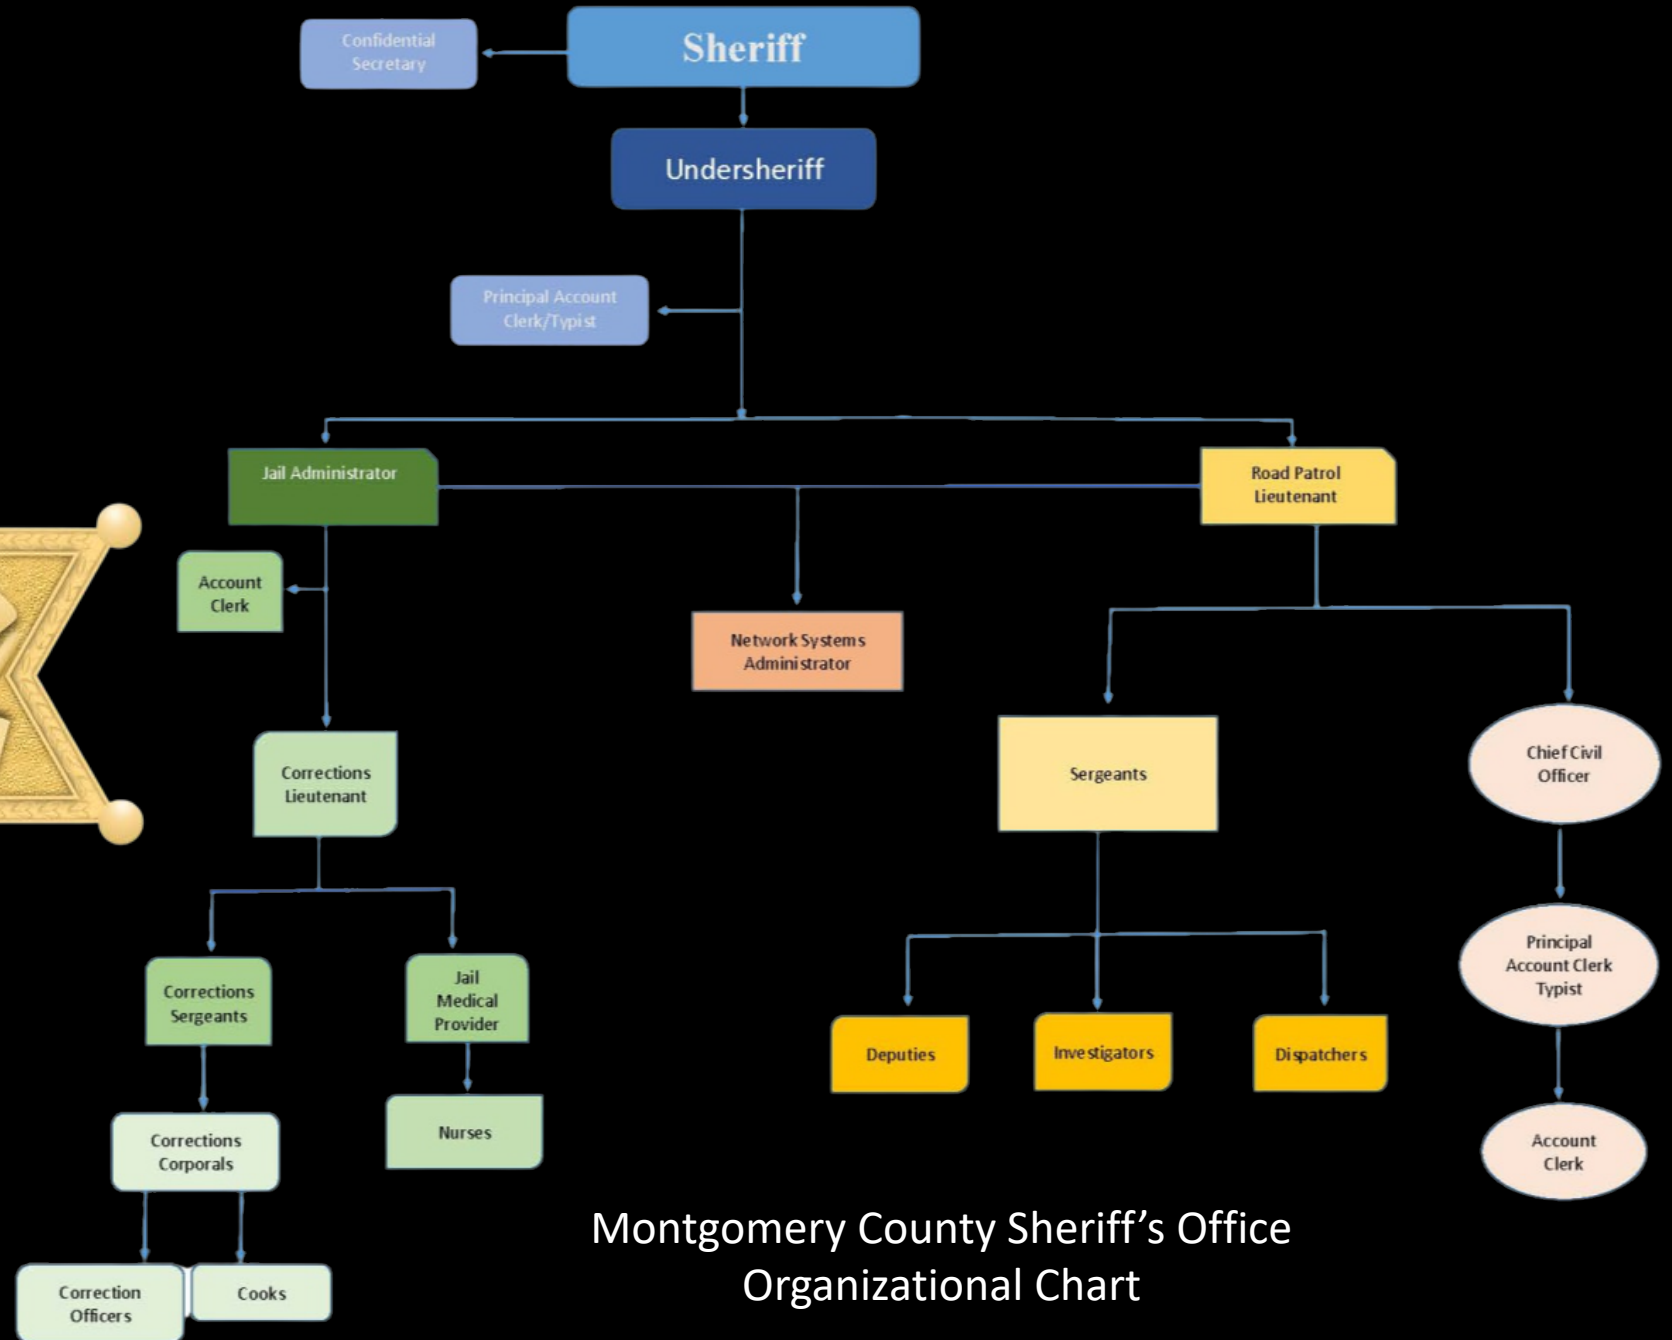

As we move forward, we will continue to work hard to serve the public. We are available 24/7 and we encourage you to contact us at any time. Please feel free to share good experiences, bad experiences and suggestions for improvement. Thank you for your support, confidence, donations, patience and understanding. Together we can make a difference.

Best wishes in 2022, thank you!

Jeffrey T. Smith

Montgomery County Sheriff's Office
Organizational Chart

2022 Goals

- Go live with new CAD for 911 Dispatch Center
- Upgrade Dispatch Consoles with Motorola
- Complete Verizon Tower Project
- Complete security camera project new garage
- Deploy new patrol cars
- Establish Traffic Safety Unit and Welfare Fraud Investigator
- Continue partnering and open lines of communication
- Standardize our social media
- Recruit/retain and train staff

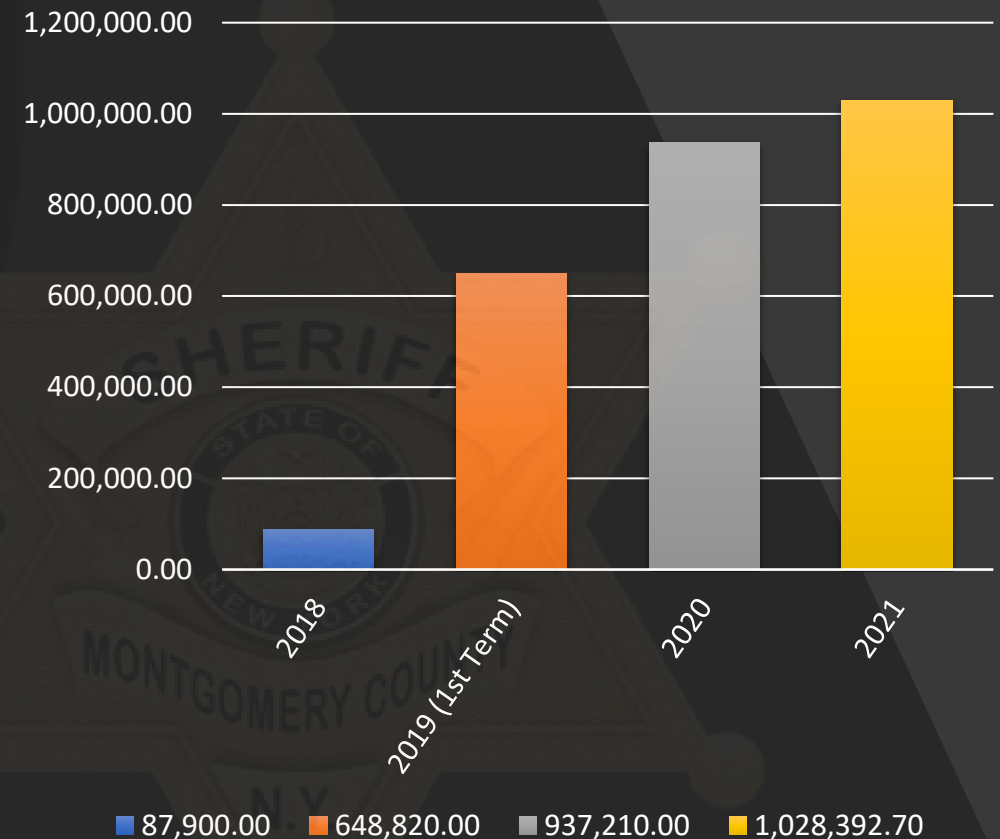

2022 Budget

The budget for 2022 is
\$8,324,786.00

Budgets have increased over the last three years by approximately \$500,000.00. The increases are the result of increased wages, gas, food, medical bills and service contracts. All consistent with inflation

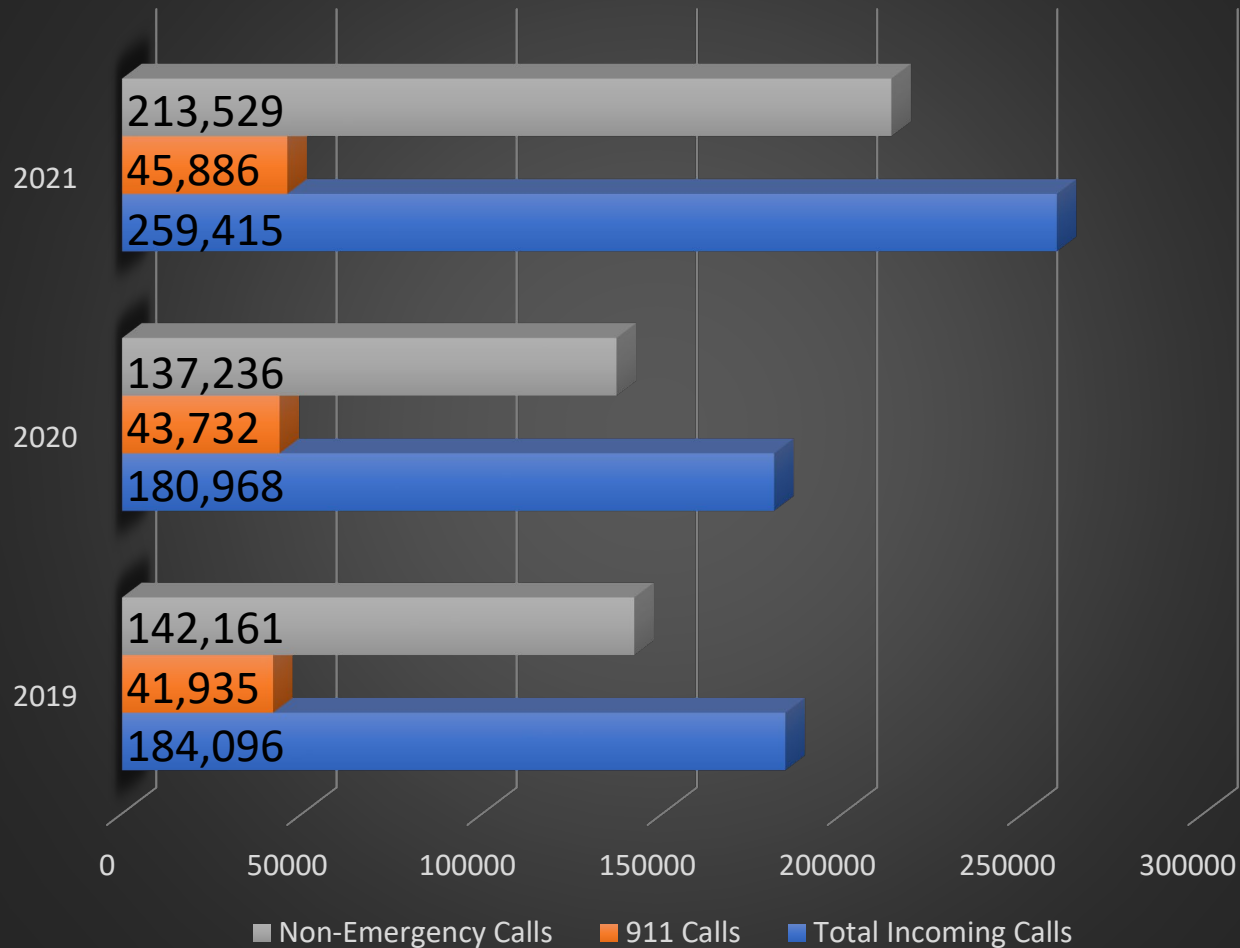

Revenue For Boarding Inmates

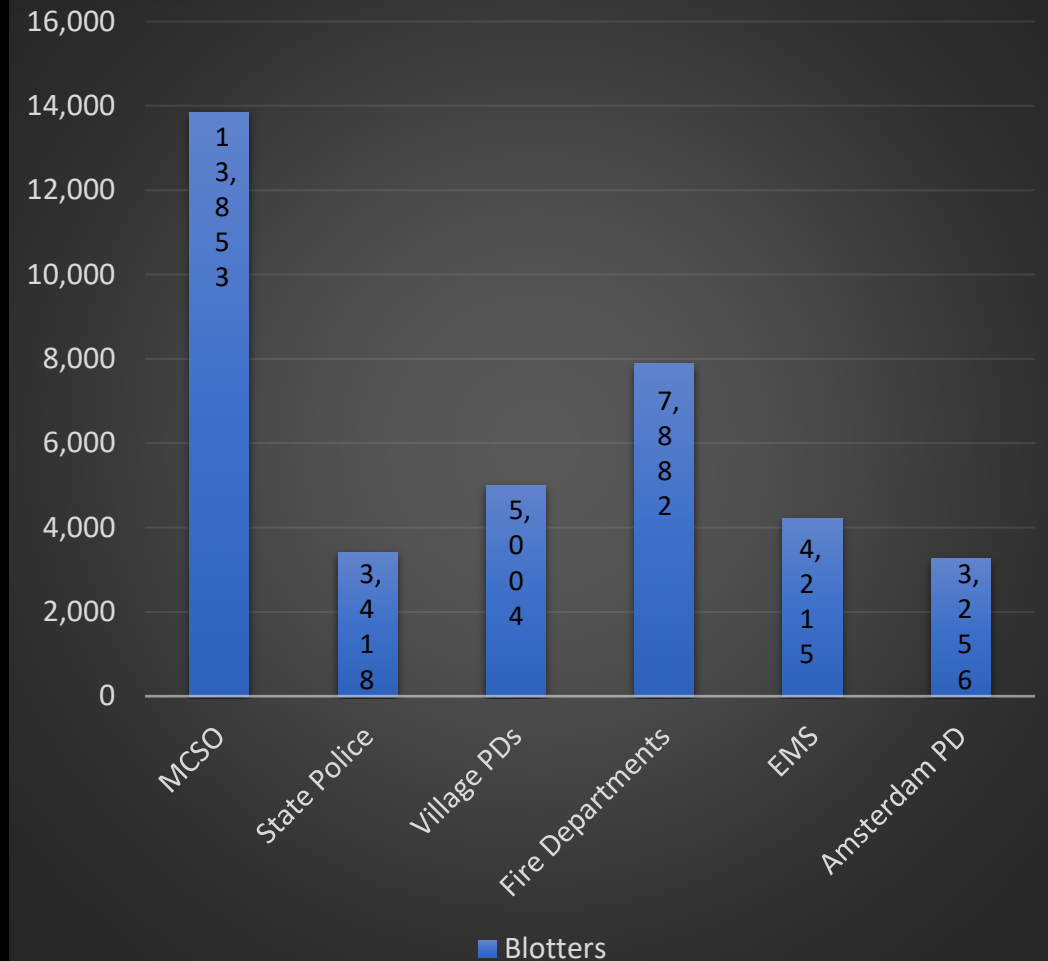

MONTGOMERY COUNTY SHERIFF COMMUNICATIONS

Phone Calls taken by 911 Center

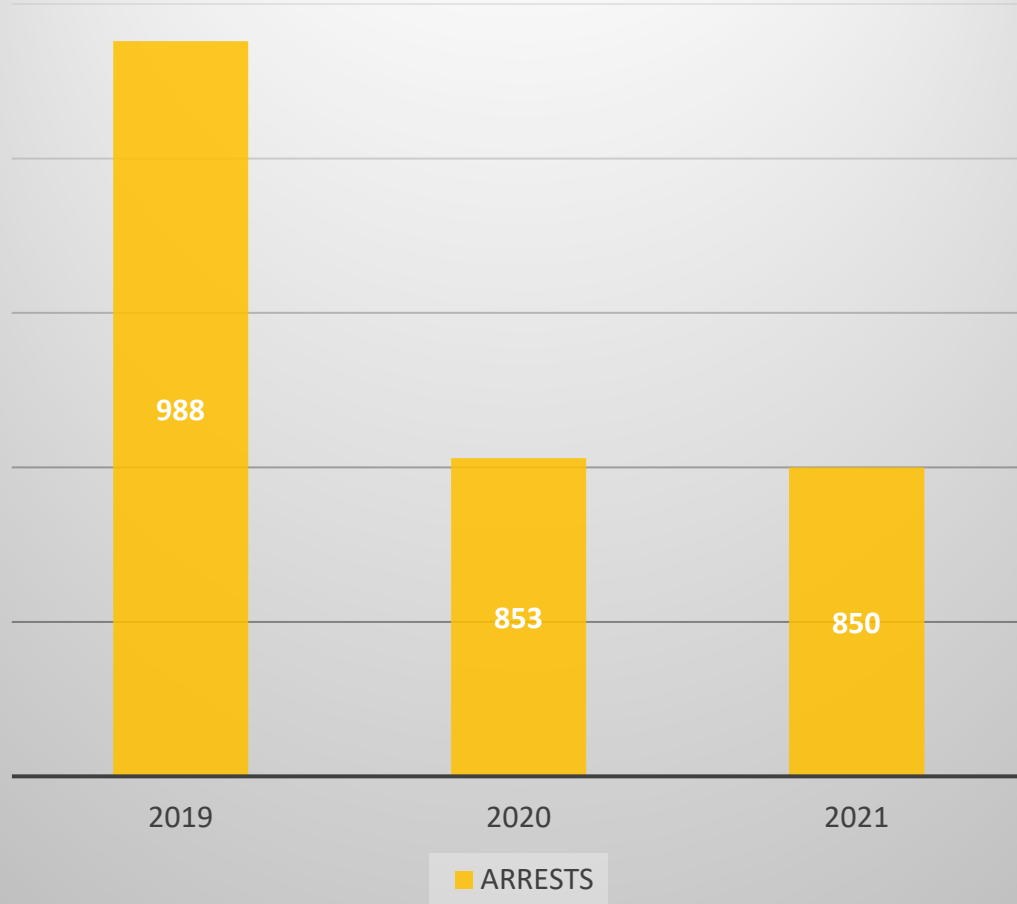

Dispatched Calls By Agency

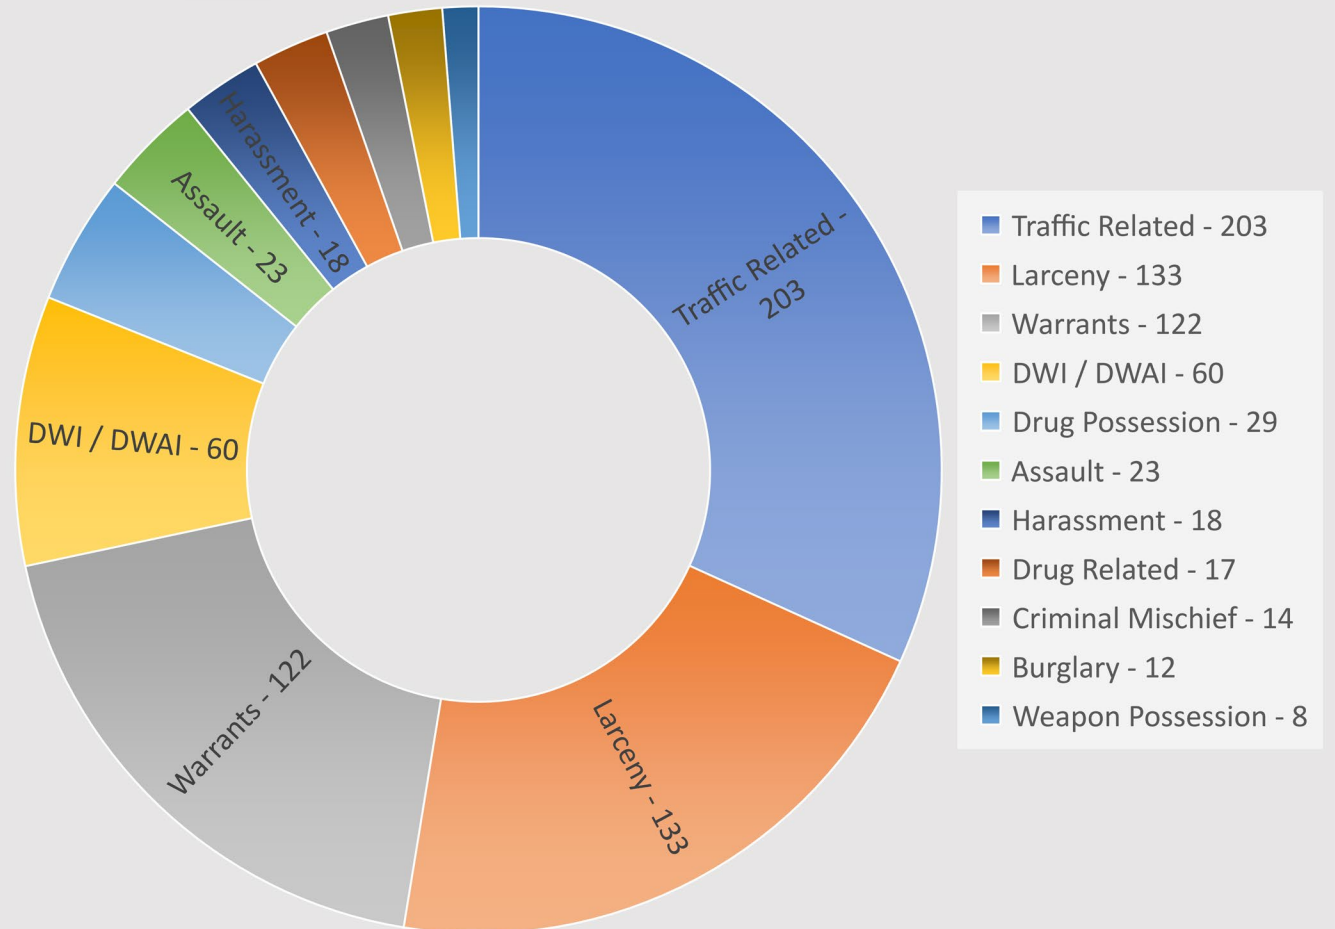

MONTGOMERY COUNTY SHERIFF PATROL

ARRESTS

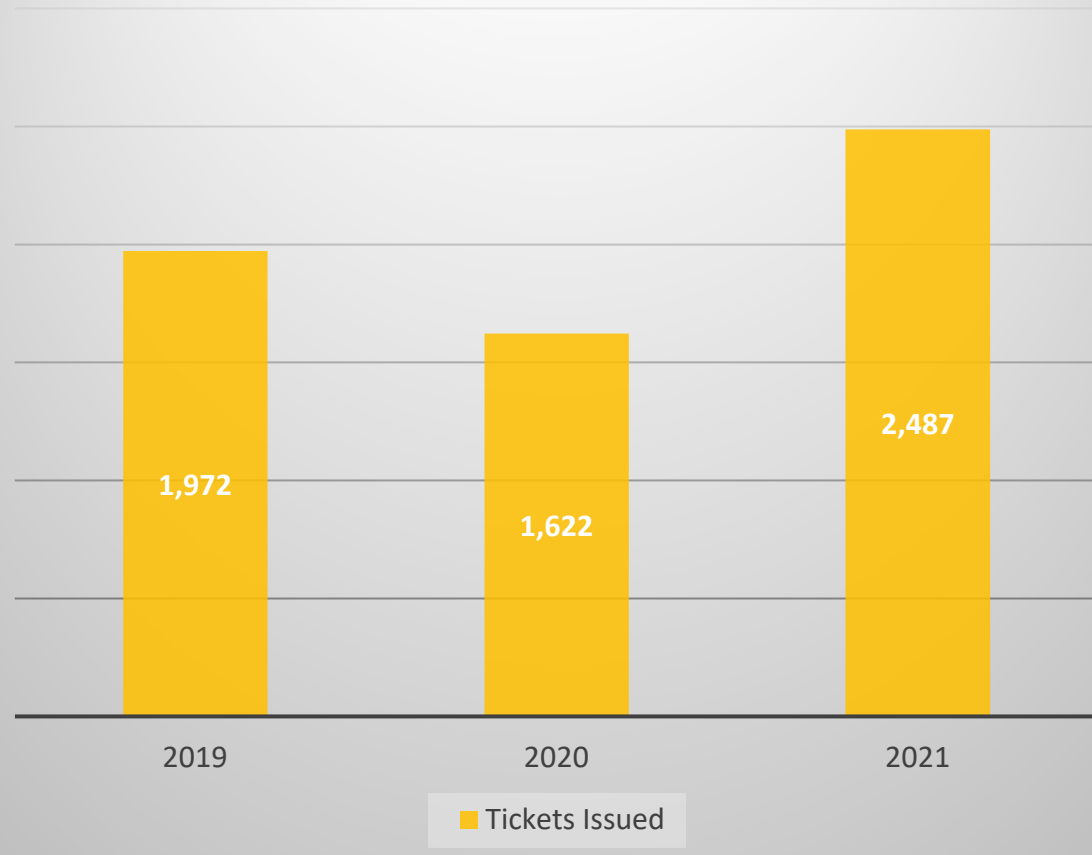

Most Common Arrest Types

MONTGOMERY COUNTY **SHERIFF** PATROL

Traffic Tickets Issued

2021 Total Traffic Stops – 4,629

46 - K9
Responses
for 2021

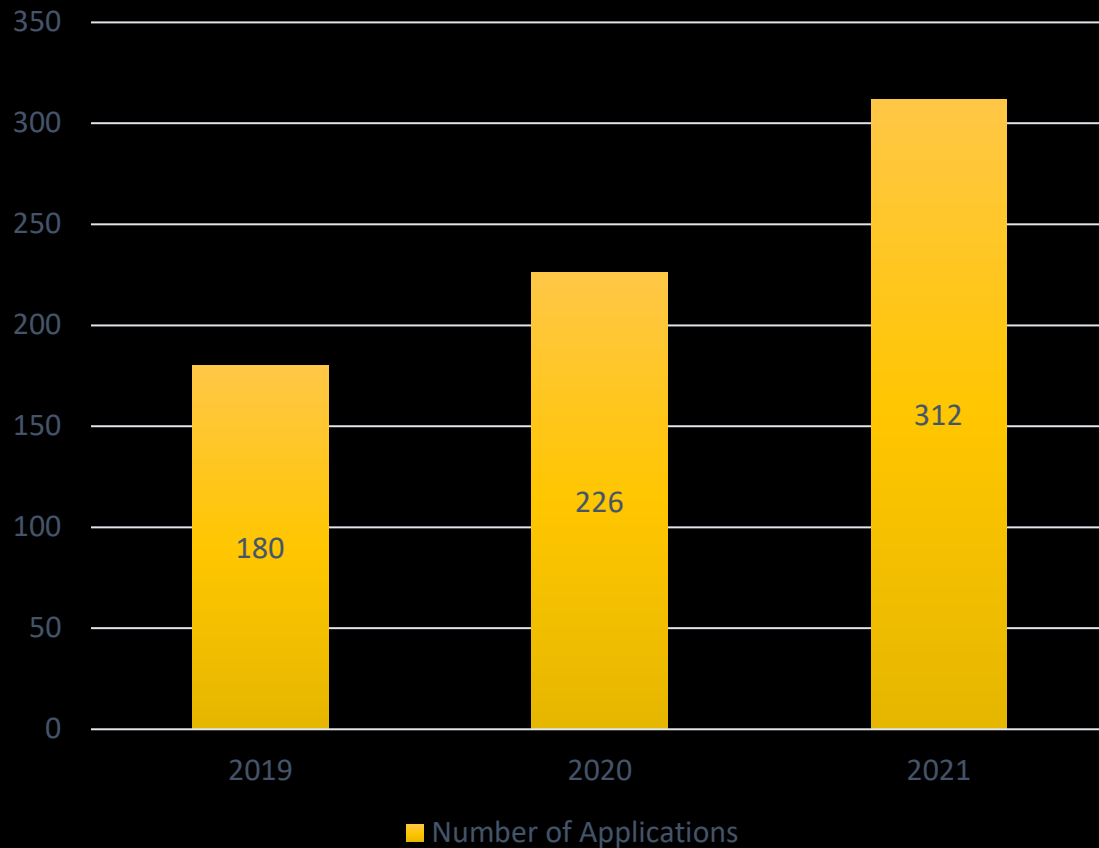

Assisted
at 51
COVID
Clinics

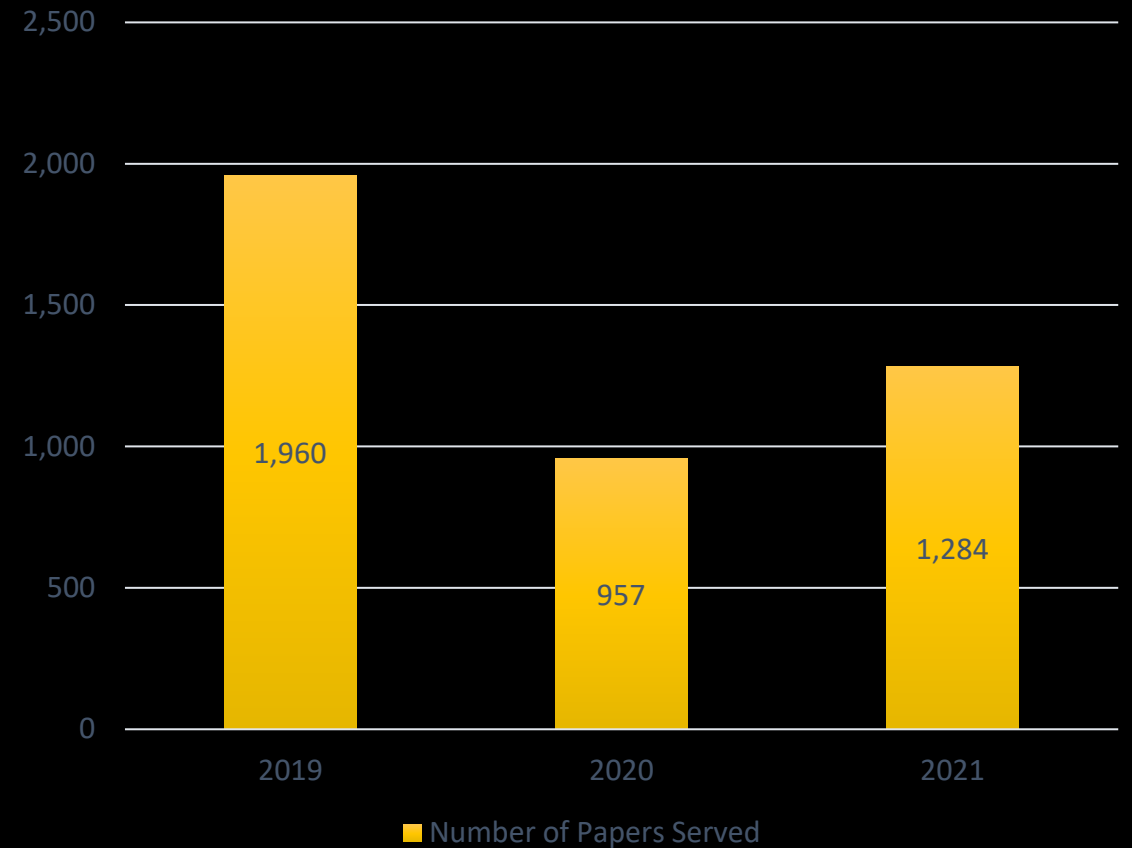

Incoming revenue averages approximately \$100,000.00 per year

Pistol Permit Applications

Papers Served

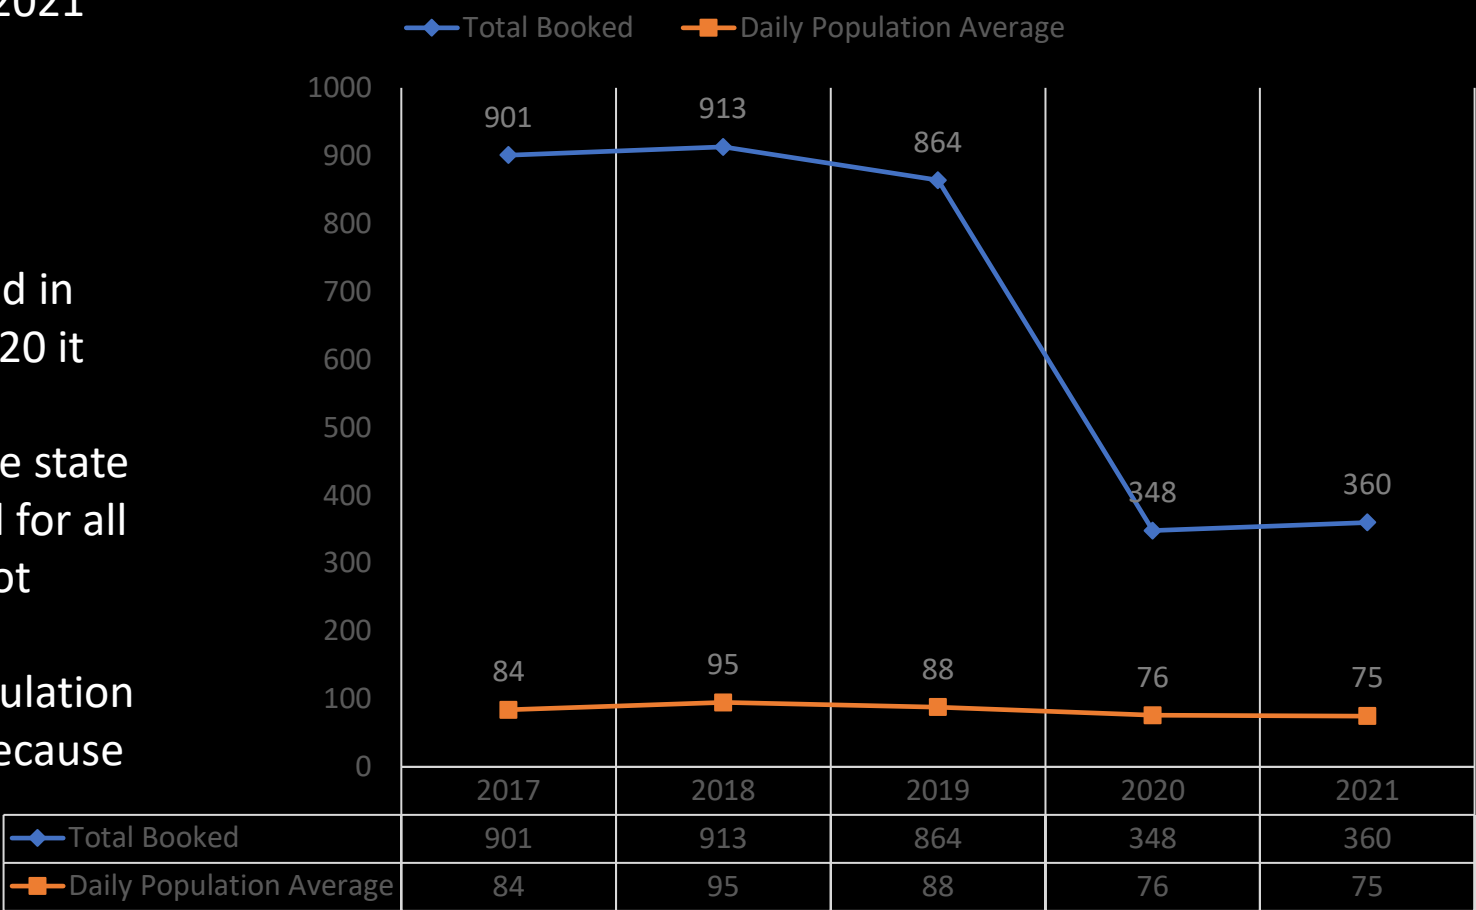

- 59 inmates transferred to state prison in 2021
- 38 Contraband cases in 2021

As you can see from the information provided in the chart, when bail reform took effect in 2020 it drastically decreased the number of inmates booked into our facility on a yearly basis. The state still requires a specific classification standard for all inmates, so therefore our operations have not really changed, just the number of bookings. Ironically, the annual average population has not changed all that much, most likely because of the housing of Federal Inmates.

INMATE BOOKING INFORMATION
