RE: Lease of premises within Village of Nelliston Office

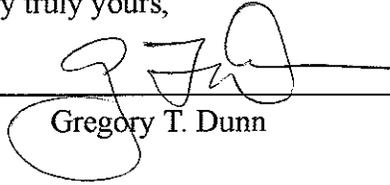

Dear Sheriff Amato:

As you know, approximately two (2) years ago the Village of Nelliston funded the construction of a room within its Village Office Building to provide the Montgomery County Sheriff's Department with a convenient base of operation and/or dispatch in exchange for the Village having a police presence within its borders. The Village has appreciated this reciprocal relationship.

In conjunction with the above, the Village has also provided the Sheriff's office with use of the premises rent-free to date, and has borne the overhead expense for the Sheriff Department's use of internet services, heat, electricity and cleaning of the bathroom facilities. Although the Village has heretofore been satisfied with this arrangement, the Village hereby respectfully requests that, beginning with the month of February 2017, the Sheriff's Office pay a reasonable monthly rental rate of One Hundred and 00/100's Dollars (\$100.00), continuing each month for the remaining indefinite term of its use and occupancy of the premises, in consideration of its use of the premises and the Village's coverage of the above mentioned services/utilities.

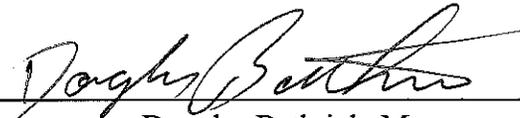

Please do not hesitate to contact me if you have any questions or wish to discuss this matter further. Thank you in advance for your attention to this matter.

Very truly yours,

Gregory T. Dunn
