Good afternoon,

I am writing to request my property at 139 Fox Street, Charleston, NY 12066, parcel 127.-1-31.12, be added to the Agricultural District 3 in Montgomery County; I own 27.1 acres of trees and am a certified tree farm. I have attached the tax map for reference. I understand this request will be up for review during the mandated September 1-30 enrollment period.

Thank you in advance.

A handwritten signature in black ink, appearing to read "David A. Wiener". The signature is fluid and cursive, with the first name "David" being the most prominent part.
