Dear Ms. Bearcroft:

It is my pleasure to inform you that a grant of **\$7,000** has been awarded to **Montgomery County** for your requested project of **Storytelling Along the Erie Canalway App Project**.
Congratulations!

Enclosed, please find two copies of the Erie Canalway Grant Contract. Please review, sign, and date each contract and return both to Erie Canalway. Once fully executed, a signed original will be returned for your records. As a reminder, reimbursement for the full award amount will be made at project conclusion after your grant closeout report, expense documentation, and matching forms are approved.

The Erie Canalway Grant Program provides grants to not-for-profit corporations, municipalities, and federally-recognized Native American tribes located within the congressionally-designated boundaries of the Erie Canalway National Heritage Corridor. Grants are targeted to fund projects or programs that directly relate to the goals, strategies, and priority projects identified in the *Erie Canalway Preservation & Management Plan*. Since 2007 Erie Canalway has made more than \$496,000 available to assist activities related to historic preservation, conservation, recreation, interpretation, tourism, and community development.

Erie Canalway staff will be contacting you soon to coordinate a series of public announcements to be held across the Corridor. In the meantime, we ask that you wait to put out a press release or otherwise publicly announce your award until notified by Erie Canalway staff.

Again, congratulations on your award.

Sincerely,

Bob Radliff
Executive Director
