Hello Alex,

Congratulations! According to our records, Montgomery County recently completed four High Impact Actions under NYSERDA's [Clean Energy Communities](#) program. The County is hereby named a **Clean Energy Community** by the State of New York and is eligible for a grant in the amount of **\$150,000**.

You have three months from the date of this email (**DUE DATE: OCTOBER 1, 2019**) to [go online](#) and submit one or more projects for funding. Please make sure the project(s) meet the selection criteria set forth in the program [Guidance Document](#).

If you have any questions regarding your project submission, please do not hesitate to contact your local Clean Energy Communities Coordinator who is working on NYSERDA's behalf to help you navigate the program:

Please do not distribute a press release or speak with media regarding your Clean Energy Community designation until speaking with NYSERDA's Communications team. We have copied Jerome Han in NYSERDA's Communications Office who will follow up with you regarding an announcement.

Thank you for your interest in NYSERDA's Clean Energy Communities Program.

Again, congratulations!
