The Honorable Matthew L. Ossenfort
Montgomery County Executive
County Annex Building
20 Park Street, P.O. Box 1500
Fonda, NY 12068

Dear Mr. Ossenfort:

I am pleased to announce that Montgomery County has been awarded \$194,263 under the New York State 2020-21 Public Safety Answering Points Operations Grant Program (2020-21 PSAP Grant). This program, administered by my agency, allows for State support to counties for eligible public safety call-taking and dispatching expenses. Your participation in this program is another example of the successful partnerships we have been developing for public safety and emergency preparedness across the state.

The performance period for the 2020-21 PSAP grant will be 12 months, beginning calendar year 2021 (January 1, 2021 – December 31, 2021). Expenses that you wish to claim must occur within that period. In order to provide these funds to you as quickly as possible, we will need to gather budget information within 30 calendar days of the date of this letter that reflects the award amount. Our Grants Program Administration staff will work with your designated PSAP point of contact, to provide additional administrative guidance and to develop a grant contract.

On behalf of Governor Andrew Cuomo, the Division of Homeland Security and Emergency Services remains committed to providing outstanding support in the administration of "*your public safety first*" responder initiatives. Please feel free to contact me if you have any questions, at 518-242-5000, or my Office of Interoperable and Emergency Communications (OIEC) Director, Michael A. Sprague, at 518-322-4911.

Thank you for your cooperation in this public safety endeavor.

Sincerely,

Patrick A. Murphy
Commissioner
