Re: CDBG Program Award
Montgomery County Microenterprise Assistance Program
NYS CDBG Project #748ME990-21

On behalf of the Housing Trust Fund Corporation (HTFC) and the Office of Community Renewal (OCR), it is my pleasure to inform you that the application submitted for Community Development Block Grant Economic Development program assistance (CDBG) has been selected for a \$300,000 award.

The NYS CDBG Program's Economic Development activities provide critical resources to communities for collaborative local economic development efforts across New York State. These investments create and retain jobs, expand economic opportunities and improve the quality of life for the working families of New York State.

A grant agreement will be transmitted separately for this award. Please be advised that no work can be performed, nor any cost committed or incurred prior to the execution of a grant agreement with HTFC and approval of all required environmental review record materials. HTFC reserves the right to rescind an award and deobligate funds for projects unable to satisfy all requirements.

OCR program staff will contact you to outline the procedures necessary to advance this project. Should you have any questions in the interim, please contact the Office of Community Renewal at 518-474-2057 or OCRinfo@nyshcr.org.

Sincerely,

RuthAnne Visnauskas
