The above rate is inclusive of dental equipment, dental supplies, documentation, dental staff and on-location routine dental services. Routine dental services consist of: Screenings, Examinations, Dental X-Rays, Fillings, Simple Oral Surgery, pulpotomy/pulpectomy, and acutely symptomatic periodontal concerns. Services are provided in accordance with National Commission on Correctional Healthcare and American Correctional Association guidelines and performed by dentist(s) licensed in the State of New York.

Furthermore, DOCS is accessible 24 hours day/7 days a week. The MCCF medical staff will be provided with the office and cell telephone numbers for DOCS' Chief Dental Officer for emergency situations that occur after hours or between visits.
