Dear Ms. Boerenko,

I am writing to inform you that Montgomery County has been selected for an award under the Rabies Program for the 4/1/22 – 3/31/25 period. The new contract number for your county is T36542GG, which must be used on all documents and communications regarding this contract. Your contract will be executed via the Grants Gateway. Please identify by return email the Grants Gateway Profile you will use for this contract no later than Monday, May 16, 2022.

Your estimated annual grant award for each year of this contract, starting April 1, 2022 through March 31, 2023, is \$8,893.00. Your three-year total contract value is \$26,679.00. Reimbursement is dependent on the actual number of human rabies treatments, specimens collected, pet vaccination clinics, and education and prevention activities, and cannot exceed the estimated allocation. Supporting documentation must accompany your request for reimbursement.

Final grant awards are contingent on the review and approval of the Office of the State Comptroller.

We look forward to working with you on the successful implementation of the project. If you have any questions, please call Kimberley Seward at (518) 473-4439.

Sincerely,

Kimberley Seward
