The New York State Division of Criminal Justice Services (DCJS) is pleased to provide funding to your county to support local law enforcement agencies with expenses related to the implementation of discovery and pretrial reforms that took effect January 1, 2020. In the event of such suspension, the Contractor shall be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the State issues a written notice authorizing a resumption of performance under the Contract.

6. The State, in its sole discretion, reserves the right to make a final Determination of Non-Responsibility at any time during the term of the Contract based on:

a) any information provided in the Questionnaire and/or in any updates, clarifications or amendments thereof, or

c) Contractor further agrees that a failure to submit and/or use such Local Assistance MWBE Subcontractor/Supplier Utilization Proposal Form shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, DCJS shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsiveness.

5. Waivers

a) If the Contractor, after making good faith efforts, is unable to comply with MWBE goals, the Contractor may submit a Request for Waiver documenting good faith efforts by the Contractor to meet such goals. If the documentation included with the waiver request is complete, DCJS shall evaluate the request and issue a written notice of acceptance or denial within twenty (20) days of receipt.

b) If DCJS, upon review of the Local Assistance MWBE Subcontractor/Supplier Utilization Proposal Plan, the Detailed Itemization Forms or the Local Assistance MWBE Workforce Employment Utilization Report determines that a Contractor is failing or refusing to comply with the Contract goals and no waiver has been issued in regards to such non-compliance, DCJS may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE Contract Goals.

Contractor is required to report MWBE Subcontractor utilization, as part of the quarterly claim process, to DCJS over the term of the Contract documenting the progress made towards achievement of the MWBE goals of the Contract.

7. Liquidated Damages - MWBE Participation

a) Where DCJS determines that Contractor is not in compliance with the requirements of the Contract and Contractor refuses to comply with such requirements, or if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals, such finding constitutes a breach of contract and DCJS may withhold payment from the Contractor as liquidated damages and/or provide for other appropriate remedies.

b) Such liquidated damages shall be calculated as an amount equaling the difference between:

i. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals, and

I. Equipment Inventory

Applicable equipment purchased with funds provided by this Contract as listed in Appendix B, shall be assigned a unique inventory number. The Contractor shall list all equipment purchased with such funds on the Equipment Inventory Form and attach it in the applicable state grants management system at the time the last program progress report is filed or sooner. Items of equipment costing less than \$500 do not need to be listed on the Equipment Inventory Form although the Contractor is encouraged to maintain an internal inventory for audit purposes. Upon completion of all contractual requirements by the Contractor, DCJS will permit continued use and possession of the equipment purchased with grant funds provided the equipment continues to be used in conducting a public safety program, unless otherwise notified by DCJS.

J. Accounting and Audits

1. Grant funds may be expended only for purposes and activities set forth in this Contract. Accordingly, the most important single requirement of accounting for this grant is the complete and accurate documentation of grant expenditures.

2. In addition to all other contract terms and conditions contained herein, performance-based Contractors must be able to document that they expended at least 90% of their program operating budget on program expenses specific to the contracted program. Any short-fall in documented expenditures below the 90% threshold will be subject to recoupment by DCJS.
3. If the Contractor receives funding from two or more sources, all necessary steps shall be taken to ensure that grant funds are not co-mingled with any other grantee funds, and that grant-related transactions are not commingled. This includes, but is not limited to, the establishment of unique budget codes, a separate cost center, or a separate chart of accounts.
4. Expenditures must be cross-referenced to supporting source documents (purchase orders, contracts, real estate leases, invoices, vouchers, timesheets, mileage logs, etc.).
5. Contractor agrees it shall maintain adequate internal controls and adhere to Generally Accepted Accounting Principles for Government or Generally Accepted Accounting Principles for Not-for-Profit Organizations.
6. This Contract may be subject to a fiscal audit by DCJS to ascertain financial compliance with Federal and/or State laws, regulations, and guidelines applicable to this Contract. Such audits may include review of the Contractor's accounting, financial, and reporting practices to determine compliance with the Contract and reporting requirements, maintenance of accurate and reliable original accounting records in accordance with governmental accounting standards as well as generally accepted accounting principles, and specific compliance with allowable cost and expenditure documentation standards prescribed by any applicable Federal, State, and DCJS guidelines.

K. Non-Compliance

DCJS reserves the right to suspend program funds if the Contractor is found to be in noncompliance with the provisions of this Contract or other grant contracts between the Contractor and DCJS or, if the Contractor or principals of the Contractor are under investigation by a New York State or local law enforcement agency for noncompliance with State or Federal laws or regulatory provisions or, if in DCJS' judgement, the services provided by the Contractor under the Contract are unsatisfactory or untimely. DCJS shall provide the Contractor with written notice of noncompliance. Upon the Contractor's failure to correct or comply with the written notice by DCJS, DCJS reserves the right to terminate this Contract, recoup funds and recover any assets purchased with the proceeds of this Contract. DCJS reserves the right to use approved grant related expenditures to offset disallowed expenditures from any grant funded through its offices upon issuance of a final audit report and appropriate notification to the Contractor, or upon reasonable assurance that the Contractor is not in compliance with the terms of the Contract.

L. Program Income

Program income is gross income earned by the Contractor that is directly generated by a supported activity or earned as a result of the grant award during the period of performance. Program income earned by the Contractor during the funding period as a direct result of the grant award shall be reported in writing to DCJS in a manner or format prescribed by DCJS, in addition to any other applicable reporting requirements. This includes income received from seized and forfeited assets, cash, the sale of grant purchased property, royalties, fees for services, and registration/tuition fees. Interest earned on grant funds is not program income unless specified in Appendix D. The Contractor shall report the receipt and expenditures of grant program income to DCJS. All income, including interest, generated using these grant funds shall be used to enhance the grant project.

M. Lapsing Appropriations

Unless otherwise specified, in accordance with the State Finance Law, the availability of all State funds for liabilities already incurred thereunder shall cease on September 15th of the year following the fiscal year in which the funds were appropriated, unless such funds are reappropriated by the New York State Legislature. To ensure payment, vouchers must be received by DCJS by August 1st of the year following the fiscal year in which the funds were appropriated.

N. Refunds

The Contractor further agrees that it shall assume sole and complete responsibility for fulfilling all the obligations set forth in the Contract and the Contractor shall guarantee the work of any Subcontractor.

The Contractor will not be reimbursed for subawarded funds unless all expenditures by a Subcontractor are listed on applicable forms. Backup documentation for such expenditures shall be made available upon request. All expenditures shall be programmatically consistent with the goals and objectives of this Contract and with the financial plan set forth in Appendix B.

Q. Work Product Ownership and Distribution/DCJS Logo

Funds shall be used to supplement, not supplant, non-Federal funds that would otherwise be available for grant activities. Additionally, a grantee may not reduce State, local, or other non-Federal funds that have been allocated for such permissible activity because Federal funds are available (or expected to be available) to funds that same activity. State and Federal funds must be used to supplement existing State, local or other funds for program activities. Non-supplanting does not apply to grants made with State funds where DCJS receives a Legislative Initiative Form (LIF) from the State Legislature.

Nothing in the agreement shall affect or impair the Inspector General's jurisdiction under Article 4-A of the New York State Executive Law.

The contractor further agrees to require as a part of any agreement with a subcontractor that the subcontractor designate the Contractor as an agent to accept service for purposes of any investigation conducted by the Inspector General.

The Contractor shall review all services proposed by subcontractors for compliance with evidence-based practices.

In addition to services designed to meet the basic needs of returning persons, the Contractor will ensure that the county's network of services include those that address criminogenic needs, have been evaluated for effectiveness in achieving their desired outcomes, and comport with evidence-based interventions for people who have offended. Examples include, but are not limited to, the provision of Thinking for a Change (T4C) and Offender Workforce Development Specialist (OWDS) Programming which may be evaluated as part of the Contract with the Contractor.

Crimes Against Revenue Program (CARP)

Gun Involved Violence Elimination (GIVE) Initiative

The Contractor agrees that if funding is being provided for the implementation of any other DCJS crime reduction strategies within the same jurisdiction, the implementing agency will coordinate their GIVE strategy with those other initiatives.

Participating agencies receiving funding through the GIVE Initiative will be required to participate in a GIVE program evaluation. This may require agencies to provide DCJS or its contractors with data and information relating to jurisdictional GIVE operations, initiatives, and enforcement efforts.

The Contractor agrees to comply with all program requirements including those outlined within the GIVE guidance documents.

Participating law enforcement agencies receiving GIVE funds shall enforce the provisions of Orders of Protection, particularly with respect to those provisions prohibiting the ownership or possession of firearms, when so ordered in family or criminal court and served upon the defendant and will enforce the firearms prohibition of the federal Violence Against Women Act.

Participating police departments will attend monthly meetings, at a minimum, with the NY SNUG program manager or his/her designee and regional crime analysts to discuss firearms related crime, gang activity, and violence. Meeting frequency may be increased at the discretion of DCJS based on shootings, homicides, and the incidence of violent crime within a jurisdiction.

Participating police departments will develop written protocols detailing established procedures to notify the NY SNUG program manager or his/her designee of all shootings and/or homicides within 24 hours of each incident. The written procedures must be submitted to DCJS with the first Quarterly Progress Report.

Participating police departments will provide DCJS an annual report detailing a year to year comparison of shootings and homicides for the current GIVE Contract period and the two preceding GIVE Contract periods for the target area(s) and the entire city. This annual comprehensive report will be due on the last day of the month following the expiration date of the Contract.

Whenever possible, the NYSDA and its employees shall seek state rates for travel, meals, and lodging. Where such rates are not obtainable, NYSDA employees must provide three quotes demonstrating reasonableness of price for alternate travel, meals, and lodging, except when seeking lodging at the venue of a conference essential to the NYSDA program. In which case the NYSDA shall document the conference arrangements and rates for travel, meals, and lodging.

Upon DCJS request, the NYSDA will arrange for DCJS personnel to attend the NYSDA trainings and conferences offered for the purposes of program and contract monitoring. The parties of this Contract understand that nothing in this Contract shall be construed to preclude or impair the right of the NYSDA attorneys to act in the best interest of their clients. In providing access to records and submitting reports required pursuant to the provisions of this Contract, the NYSDA shall, in accordance with its professional responsibility under the New York Rules of Professional Conduct (see 22 NYCRR Pt. 1200), protect the confidences and secrets of its clients, including the clients of the attorneys to whom the NYSDA provided assistance or services. No record or report shall be deemed deficient because of the omission of information, the provision of which would result in the disclosure of any such confidences or secrets or would otherwise compromise the interest of any client.

Goods or services ordered but not received during the contract period are not eligible for reimbursement. Additionally, the Contractor must have paid for the goods or services in order to be eligible for reimbursement.

A. Contractors must submit all required fiscal reports, supporting documentation and program progress reports as required under Section II. Failure to meet these requirements may result in rejection of the associated voucher, placement of a stop payment or withholding of funds. Final vouchers and required reports must be submitted by the last day of the month following the end of the grant contract period. Failure to voucher within this period may result in the loss of grant funds.

B. If an advance was approved and a contract renewal is permitted, this serves as notification to contractors that advances shall not be automatically renewed. If an advance in subsequent renewal periods is requested, supporting documentation in a manner prescribed by the State Agency is required. The State Agency at its sole discretion shall be determined if a subsequent advance is supported. Nothing in this agreement shall require any advance during subsequent renewal periods simply because an advance was approved in the initial or prior contract term.

C. Vouchers (Claims for Payment) shall be submitted in a format acceptable to the State Agency and the Office of the State Comptroller (see <http://www.criminaljustice.ny.gov/ofpa/applcngntfrms.html>). All required reports, such as Fiscal Cost Reports and Detailed Itemization Forms, must be prepared quarterly consistent with provisions in Appenix D. Prior period adjustments shall be reported in the same accounting period that the correction was made. **Requests for payments must be accompanied by adequate supporting documentation as determined by the State Agency.**

D. All submitted vouchers shall reflect the Contractor's actual disbursements and be accompanied by supporting detailed itemizations of personal service and non-personal service expenditures and other documentation as required - or by milestone achievements for performance-based contracts - and a fiscal cost report for the reporting period. Timely, properly completed and signed vouchers and fiscal cost reports, as well as detailed itemization forms with supporting documentation as required, shall be submitted to:

DCJSGrantsUnitVoucherSubmittal@DCJS.NY.Gov

The State Agency reserves the right not to release subsequent grant awards pending Contractor compliance with this Agreement. In the event that any expenditure for which the Contractor has been reimbursed by grant funds is subsequently disallowed, the State Agency in its sole discretion, may reduce the voucher payment by the amount disallowed.

E. For purposes of prompt payment provisions, the Designated Payment Office for the processing of all vouchers is the DCJS Office of Financial Services as described above. Payment of grant vouchers shall be made in accordance with the provisions of Article XI-A of the State Finance Law. The Contractor must notify the Office of Financial Services in writing of a change of address in order to benefit from the prompt payment provision of the State Finance Law. When progress reports are overdue or the required MWBE reporting is not included, vouchers will not be eligible for prompt payment interest.
