Dear County Executive Ossenfort:

I am pleased to inform you that Montgomery County has been awarded a total of \$268,000 for the following three applications through Round 6 of the Municipal Zero-emission Vehicle (ZEV) Infrastructure Grant Program.

<u>Application number</u>	<u>Amount</u>
DEC01-ZEVIN-2022-00113	\$108,000
DEC01-ZEVIN-2022-00249	\$ 80,000
DEC01-ZEVIN-2022-00273	<u>\$ 80,000</u>
Total	\$268,000

The New York State Department of Environmental Conservation (DEC) applauds your initiative in helping New York State achieve the greenhouse gas emission reductions required under the Climate Leadership and Community Protection Act and to meet its commitments under the Multi-State ZEV Memorandum of Understanding, which aims to put 3.3 million ZEVs on the roads of participating states by 2025. Your initiative is also consistent with the State's plan that 100 percent of new passenger cars and trucks will be zero-emissions by 2035.

After DEC receives procurement approval for this grant round from the Office of the New York State Comptroller, you will receive an email outlining the next steps in preparing to execute state assistance contracts for these grant award. The Master Contract for Grants for this award will be developed in the Grants Gateway. We recommend visiting the Grants Management website at <https://grantsmanagement.ny.gov/> to become familiar with the Grants Gateway and the contracting process.

We look forward to working together to achieve a resilient, climate-ready future for all New Yorkers.

Sincerely,
