Recipient shall inform its employees and necessary contractors of these confidentiality obligations and shall take such steps as may be reasonably requested by Discloser to prevent unauthorized disclosure, copying, or use of Discloser's Confidential Information. Recipient acknowledges that, in the event of a breach by Recipient of its

Customer shall immediately notify Licensor of any such claim. For claims related to Third-Party Software, no indemnity is provided by Licensor, but Licensor shall, to the extent legally permitted, pass through to Customer any infringement protections with respect to Third-Party Software. The foregoing indemnity shall be ineffective if any of the Licensor Software has been modified, altered, or otherwise changed by Customer (or on behalf of Customer by any Person other than Licensor). Licensor will have no liability or obligation under this section 9 if any claim of infringement is based upon: (i) the combination, operation, or use of the Software with any component other than Licensor Intellectual Property, if such claim would have been avoided but for such combination, operation, or use; and/or, (ii) any derivative of any Licensor Intellectual Property created by any person other than Licensor. Licensor shall have sole control over the selection of counsel and the defense and settlement of any legal proceeding or other claim and Customer shall provide Licensor with all reasonable assistance in the defense of the same.
- 9.2. *Indemnification by Customer.* Customer will defend Licensor against any claim, demand, suit or proceeding made or brought against Licensor by a third party alleging that any Customer Data infringes or misappropriates such third party's intellectual property rights, or arising from Customer's use of the Software, services, and/or content in violation of this Agreement, Order Form, or applicable law (each a "Claim Against Licensor"), and Customer will indemnify Licensor from any damages, attorney fees, and costs finally awarded against Licensor as a result of, or for any amounts paid by Licensor under a settlement approved by Customer in writing of, a Claim Against Licensor, provided Licensor (i) promptly gives Customer written notice of the Claim Against Licensor, (ii) gives Customer sole control of the defense and settlement of the Claim Against Licensor (except that Customer may not settle any Claim Against Licensor unless it unconditionally releases Licensor of all liability), and (iii) gives Customer all reasonable assistance, at Customer's expense.
- 9.3. *Remedy.* In the event of a third party claim that the Licensor Deliverables infringe the intellectual property rights of a third party, Licensor shall have the right, as Customer's sole and exclusive remedy against Licensor, at Licensor's sole election, to: (i) modify the allegedly infringing Licensor Deliverables to be non-infringing, provided that such modification does not adversely impact the functionality of the Software in any material respect; (ii) obtain a license or other rights to enable Customer to continue to use the applicable Software as contemplated in this Agreement, or (iii) to terminate this Agreement and return to Customer any unearned fees paid by Customer to Licensor.

10. RIGHTS IN SOFTWARE, DATA, AND MATERIALS.

- 10.1. *Licensor Ownership.* As between Licensor and Customer, Licensor shall be the sole owner of all right, title, and interest in and to the Software, all Licensor Deliverables, documentation, any suggestion, enhancement request, recommendation, correction or other feedback provided by Customer, and any and all copies or derivatives created by either Party, exclusive only of the Customer Materials. Customer hereby irrevocably grants, transfers, and assigns to Licensor, without reservation, all worldwide ownership rights, title, and interest, including, without limitation, any and all Intellectual Property which Customer may have or acquire, by operation of law or otherwise, in and to any or all of the Software, the Licensor Deliverables, documentation, and in and to any other Intellectual Property of Licensor, along with the good will of the business appurtenant to the use of any of the same. Customer further hereby irrevocably transfers and assigns to Licensor any and all moral rights Customer may have in and to such Software, the Licensor Deliverables, documentation, and in and to any other Intellectual Property of Licensor, and hereby forever waives and agrees never to assert any moral rights it may have during or after termination or expiration of this Agreement. Customer shall, at the request of Licensor, execute any and all documentation necessary to formally transfer such rights to Licensor. Customer shall promptly notify Licensor in writing if it becomes aware of any violation, infringement, or unfair competition related to the Licensor Intellectual Property. Customer agrees to allow Licensor full access to all relevant hardware, software, and material to determine compliance.
- 10.2. *Customer Ownership.* As between Licensor and Customer, Customer shall be the sole owner of all right, title, and interest in and to all Customer Materials. Licensor hereby irrevocably grants, transfers, and assigns to Customer, without reservation, all worldwide ownership rights, title, and interest, including, without limitation, any and all Intellectual Property rights, which Licensor may have or acquire, by operation of law or otherwise, in and to any or all of the Customer Materials. Licensor further hereby irrevocably transfers and assigns to Customer any and all moral rights Licensor may have in such Customer Materials, and hereby forever waives and agrees never to assert any moral rights it may have or obtain, during or subsequent to the termination or expiration of this Agreement. Licensor shall, at the request of Customer, execute any and all documentation necessary to formally transfer such rights to Customer.

- 17.11. *Independent Contractor Status.* It is the intention of the Parties that their relationship is that of independent contractor and this Agreement shall not create any other relationship, whether partnership, joint venture, agency, or otherwise, between the respective Parties. Neither Party has any authority, whether actual, express, implied, or apparent, to bind or otherwise obligate the other Party in any capacity. Licensor shall be entitled to list Customer in any designation of its customers in advertising or other published materials of Licensor.
