Old Business:

Comprehensive Plan – Met with Amy before this meeting. She is going to send some verbiage to use at the fire dept anniversary on the 21st to engage the public and get them prepared for the future, what a comprehensive plan is, why we need it. Set up interactive engagement, couple of topics. Would like to get an idea of where the majority of residents see their town in the future. Survey a little further down the line. Show the resident and overall time line of how long the comprehensive plan will take to put in place. Expect to have that early next week, will be put together next Wednesday in preparation for Saturday handout. There are free feedback formats online for small towns like ours, so we might be able to use that for residents who prefer to fill out a questionnaire that way. Amanda has a table to set up, Ellen McHale will help out, should be a fun, easy, informative display for residents. David will also help out at the table.

No training certificates.

New Business: None.

No other business.
