John Thomas  
Town of Glen Supervisor  
7 Erie Street, Fultonville, NY. 12072

John 

As you are aware, my appointment to the Town of Glen Planning Board will expire on the last day of December 2019. First appointed by the town board in 2018, I have served for just about twenty-two months. In that time, serving with very active, involved and capable planning board members we have worked diligently at providing a more accessible planning board.

Working with the county, our planning board has a working website where the public can now view past approved planning board minutes and have access to planning documents and Town Code. We have drafted a solar law currently being reviewed by the town Board for consideration. We continue to work on updating town documents, reviewing, updating existing permitted uses and identifying uses that do not apply to the town, All of these efforts will hopefully assist in the future of planning in the Town Of Glen.

I would appreciate the opportunity to be considered for re-appointment to a full term to continue serving on the planning board. I remain current with the required annual training hours for local government officials on file with the planning board Secretary.

Respectively
