Chairman Timothy Reilly

Dear Tim & Respected Planning Board Members:

After a significant period of thinking, I've decided to resign effective immediately from The Town of Glen Planning Board. I appreciate the current board members and feel we have worked very hard on many things, putting in a ton of time and effort that really goes unnoticed by many. I am proud to have served with this board, I consider you all friends and you have my utmost respect. Best of luck to all of you in the future, as I am hopefully on to bigger things.

Sincerely,

Patrick M. Rose
