Re: Town of Glen  
NYS Route 5S Borrego Solar Project (New Leaf Energy)  
Our Project No. 67-1901

Dear Mr. Downing:

We are in receipt of the revised Stormwater Pollution Prevention Plan (SWPPP) dated 7/8/2022. The project involves the construction of a large-scale, ground mounted, solar photovoltaic system that consists of 5 MW AC system with 12,688+/- panels on approximately 19.17 +/- acres of the total 47.64 +/- acres (tax map id 53.3-1-13). Based on a review of the revised documents, we have the following comments:

SWPPP

1. The Applicant has revised the subsection number of "Material Handling and Waste Management" to 6.1 in the Table of Contents and revised the subsection number of "Historic Preservation" to 4.3 in the text of the report, addressing our previous comment.
2. NOI comments:
  - a. The area of the wetland impact was revised to 6,908.3 square feet in question 41 of the NOI, addressing our previous comment.

We have no further comments on the SWPPP. If you have any questions, please feel free to contact me.

Sincerely,

**KB Group of NY, Inc. dba PRIME AE Group of NY**
