RE: SEQR Lead Agency – DAIM Industrial Park Warehouse Project

Dear Ms. Mete-Jeffer,

The Department does not object to the Town of Glen Planning Board's request to act as lead agency pursuant to Sections 617.6(b)(2) and (3) of 6 N.Y.C.R.R. of the Environmental Conservation Law. Based upon information provided, it appears that the proposed action will not occur within a county adopted, State certified, agricultural district.

If you have any questions concerning the Department's determination, please contact me at (518) 457-6320 or at [judy.littrell@agriculture.ny.gov](mailto:judy.littrell@agriculture.ny.gov).

Sincerely,
